# LED EXIT BOX

## EMERGENCY LUMINAIRE

The LED exit box is designed to satisfy statutory requirements using legends which correctly indicate direction and a panel which provides down light to assist in the illumination of the escape route.

High intensity white LED's offer a long term maintenance and operational cost saving against conventional 8 Watt tube luminaire.

### Product Specification:

- Constant current power factor corrected driver supplied as standard
- White paint finish as standard
- Rigid steel body
- High temperature long life batteries

### Applications:

- Emergency Exits
- Defined escape routes
